Halloween

Halloween is coming, and costume parties and trick-or-treaters are coming with it. Here are some tips to consider when choosing your costumes, and to help keep you safe.

- S** Swords, knives, and other costume accessories should be short, soft, and flexible.
- A** Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
- F** Fasten reflective tape to costumes and bags to help drivers see you.
- E** Examine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.
- H** Hold a flashlight while trick-or-treating to help you see. WALK and don't run from house to house.
- A** Always test makeup in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.
- L** Look both ways before crossing the street. Use crosswalks wherever possible.
- L** Lower your risk for serious eye injury by not wearing decorative contact lenses.
- O** Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.
- W** Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- E** Eat only factory wrapped treats. Avoid eating homemade treats made by strangers.
- E** Enter homes only if you are with a trusted adult. Only visit well lit houses. Never accept rides from strangers.
- N** Never walk near open flames. Be sure to wear flame resistant costumes.
