

# Shape the future for your family and community.

The U.S. Constitution requires that every decade we count our nation's population. By April 1, every household will receive a notice to complete the 2020 Census and be counted.

## Responding is important.

You can shape the future for yourself, your family, and your community for the next 10 years. Data collected in the 2020 Census will inform the distribution of more than \$675 billion in federal funds to states and communities each year. Businesses, community leaders, and local governments use census data to create jobs, ensure public safety preparedness, and support community initiatives.

## Results of the census impact funding for things like:

- › Schools and education
- › Health care facilities
- › Housing assistance
- › Public transportation
- › Child and adult food assistance programs
- › Assistance for people transitioning out of homelessness
- › Career and technical education grants
- › Medicare Part B
