ADDITIONAL REQUIREMENTS

No person shall erect, alter, relocate or maintain within the Municipality any commercial or identification sign or other advertising structure without first obtaining approval from the Planning & Zoning Commission and obtaining a sign permit from the Village of Woodmere and making payment of the required fee.

Regular Planning and Zoning meetings are held on the first Tuesday of each month at 7:30 PM. All submissions are due at the Village Hall Building Department, 27899 Chagrin Blvd., two weeks prior to this date. A representative MUST be present at the Planning & Zoning Meeting for plans to be reviewed.

Submit a sketch on 8 ½ x 11" Sheet (to scale) of the proposed sign showing the size, characters, color lines and symbols. The applicant must submit a plot plan, showing location of building and sign with details and specifications with respect to illumination (if any), construction and attachment as required by the building Code in compliance with Ordinance #1994-41.

Seven sets (to scale) of the following documents:

- Site plan showing position of the sign or other advertising structure in relation to nearby buildings or structures;
- Scale drawing of proposed signage showing all text and graphics, with color scheme and samples, specifications and method of construction and attachment to the building or method of installation in the ground. Documentation should include erection, frontage, installation specifications and picture of adjoining businesses where proposed sign will be located;
- Letter of Consent of the owner of the building, structure or land to which or on which the structure is to be erected if the application is made by someone other than the owner.
